

COFFEE SKILLS PROGRAM

Virtual Trading Has Just Begun

AFCA Online Webinars, Workshops & Trainings

AFCA Online Webinars, Workshops & Trainings

Join the global coffee community in innovative and advanced online webinars, workshops & trainings to discover the journey behind a cup of coffee. Improve coffee and barista skills, roasting courses, coffee markets and trading, price risk management, the essentials of strategic coffee sourcing and how to move your coffee business online.

International and accredited trainers are brought to your virtual doorstep so you can meet the masterminds behind La Marzocco, brew a cup of coffee with a Barista Champion, host Judy Ganes in your office and enjoy the smell of freshly roasted coffee in the comfort of your home. We bring the experts to you!!
